Man Up For Movember!

Because The People Who Rely On ***You,***
Rely On ***Your Health.***

Urinary Health

Men's Sexual Health

The Men's Health Conversation

Prostate Health

Male Fertility

Men's health concerns are not always obvious. Recognizing changes, understanding risk factors, and knowing when to seek medical advice can help men make more informed decisions about their health.

Join our urology specialists for an expert-led discussion on common men's health conditions, appropriate assessment, and current approaches to diagnosis and treatment.

DATE:
14 November 2026
Saturday

TIME:
9:00 a.m. – 1:00 p.m.
Registration opens at 8:30 a.m.

VENUE:
Raffles City Convention Centre, Level 4

Specialist Q&A | An Expert-Led Discussion on Men's Health

The questions men often hesitate to ask. Hear from our urology specialists and take part in an open, respectful discussion on men's health concerns in a supportive setting.
